

Title of the measure:	<i>LT20 – Programme for the upgrading of community centres in 2007–2020</i>
------------------------------	--

General description

The programme aims at creating the necessary conditions for the cultural activities of municipal community centres; to improve the working conditions of the staff of municipal community centres; to reduce the operating costs of the buildings of municipal community centres.

These are supported activities:

- change of windows and exterior doors;
- insulation of envelopes;
- modernization of engineering infrastructure.

Category:	Financial instrument
Timeframe:	2007–2014, although it was planned to provide financing till 2020
Budget and financial source:	The programme's budget was EUR 110.245 million. State budget (EUR 110.245*0.95=104.733 million), municipal budgets, EU financial assistance mechanisms and other funds.
Implementing body:	Ministry of Culture of the Republic of Lithuania, Ministry of Economy of the Republic of Lithuania
Monitoring authority:	Ministry of Culture of the Republic of Lithuania, Ministry of Economy of the Republic of Lithuania
Target group:	Staff and visitors of municipal community centres

Impact evaluation

These are results achieved (Certificate to cancel the Programme for the upgrading of community centres in 2007–2020, 2014; Lithuanian Energy Agency, 2015):

- till 2014, 6 cultural centres were modernized, when the plan was 63 in 2020;
- till 2014 works were being done additionally in 30 cultural centres.

In 2014, the programme was recognized as an excess document, thus it was cancelled.
